

SILVER ALL RIGHT.

The attitude which the present Administration has taken relative to the silver question, if our dispatches of yesterday are to be relied upon, is not calculated to make many friends on this Coast. If Mr. Harrison goes back on the pledge he took at the Chicago Convention his name will be Dennis four years hence. We shall not condemn him however, until the truth of the statement is verified, but will take occasion to say that his friendship toward the Pacific States has not been very pronounced. The Const has got nothing yet worth having, and Mr. Harrison does not seem to be very friendly toward us, and if his silver policy is such as to create distrust we predict a Waterloo when the next Presidential election takes place, and, if he has allowed himself to be influenced by Wall street money jobbers, we shall say, "Hail the day."—Gazette.

The dispatches alluded to by the Gazette were from Democratic sources, and only sent over the wires to make temporary trouble. Harrison is not going to repudiate a single plank in his party platform. A leading Republican of Washington in an interview recently, said: "I do not believe there is any danger that President Harrison will join the bondholding ring. Some of these dispatches are being sent out for effect only. The purchase of bonds at 29 per cent. premium for the ostensible purpose of relieving the stringency of the money market when silver could be bought for 30 per cent. discount would hardly be continued by President Harrison's Administration. The reason why he has not taken the subject up before is the pressure for office. That will now soon be over, and he will consider the question, and there is no doubt that he will take the side of the people who elected him."

Another Senator said when questioned regarding the dispatch: "The dispatch is absurd. President Harrison is not going to pursue the policy of Mr. Cleveland's administration with regard to silver. That policy was condemned by the Republican party, and President Harrison in his letter of acceptance indorsed that condemnation."

SHAMELESS ROBBERY.

The swindling games which always follow a circus were on the track of the show which appeared here yesterday. They are no part of the circus itself, but operate near where the tents are pitched.

The most notorious of all was the "Soap Game." It is a swindling device to fleece greenhorns, and is run in such a way that the victim is not in a position to squeal.

It is estimated by parties who watched the thing go on that those who ran it cleaned up over \$1000 yesterday afternoon, and nearly as much more in the evening.

The thing is one of the oldest street swindles in the country, and the most shameless. Why the authorities do not interfere to protect the people against the devices of strangers is a mystery to us.

A GOOD LAW.—The Legislature of Minnesota has passed a bill making drunkenness a crime, and is a good law. Many men get drunk in order to screw their courage to the point of committing worse crimes, and many unintentionally commit worse crimes while drunk than they would if sober. Yet the law does not excuse anyone for committing outrages, when drunk, on the old law principle that "no one may take advantage of his own wrong." One who cannot drink without becoming besotted should never touch liquor and if he cannot see the thing in that light he should be made to feel the penalties of his weakness in a way which would teach him a better lesson than mere physical suffering can do. A law making drunkenness a crime will do more good in a year, if it is executed, than all the prohibition legislation that ever was

thought of or ever could be thought of, would do in forty years. The Minnesota bill only waits the governor's signature to become a law. The penalties prescribed are severe enough to take away the element of indifference, and are, for the first offense, a fine of not less than \$10 nor more than \$40, or imprisonment for not less than ten nor more than forty days; second offense \$30 or \$40 fine, or thirty to sixty days' imprisonment; third offense sixty to ninety days' imprisonment.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking man ever saw. He took the first premium for 3 year old stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$30 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2 3 and year olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 25 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2, 3 year old record 2 19 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.
